Defendant.	§	

Plaintiff-Intervenor Bayou City Waterkeeper's Notice of Related Litigation

Pursuant to Local Rule 5.2, Plaintiff-Intervenor Bayou City Waterkeeper respectfully submits this Notice to advise the Court of the following related current litigation and of directly affected non-parties.

*Bayou City Waterkeeper v. City of Houston, Texas*, 4:18-cv-3369 (S.D. Tex.), was filed September 21, 2018. The case was assigned to Judge Andrew Hanen. Bayou City Waterkeeper and City of Houston are the only named parties; thus, there are no non-parties that would be directly affected by the action before this Court.

**Summary of Related Nature of the Litigation**

The cases are related because they present common questions of law and facts and arise from the same or substantially similar events. Both cases contend that the City of Houston violated the Clean Water Act and its Texas Pollutant Discharge Elimination System ("TPDES")

permits by discharging untreated wastewater into and adjacent to area waters over the course of several years.
